Section 1–Introduction

This directory provides a list of CareFirst BlueCross BlueShield Group Advantage local network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

We have network providers for all services covered under original Medicare. You will find more information about plan payments and cost sharing in your Evidence of Coverage (EOC).

You may go to any of our network providers listed in this directory. CareFirst BlueCross BlueShield Group Advantage members can receive services from any CareFirst BlueCross BlueShield Group Advantage contracted doctor or hospital at the in-network level of benefits.

CareFirst BlueCross BlueShield Group Advantage may require members or their providers to obtain authorization from our plan as a condition for covering medically necessary services that are covered by our plan. If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

Out-of-network providers are under no obligation to treat CareFirst BlueCross BlueShield Group Advantage PPO enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please contact our Member Service Department at 833-320-2664, 8 a.m.–6 p.m., ET, Monday through Friday. TTY users should call 711.

You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

You are covered both in and out of our network for all benefits, as long as you are treated by a provider who participates in Medicare.

The out-of-network provider should bill CareFirst and should not bill you. Should a provider bill you please contact us to find out how to submit the bill to us for payment. Once we receive the itemized bill, we can process it and determine what your cost share will be.

If you are billed by an out-of-network provider

Please note: While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you go to a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.

For most of our PPO plans there is no difference in cost whether you see a network or out-of-network providers. Please review your Evidence of Coverage (EOC) to validate your cost shares for out-of-network providers.

Section 1–Introduction

Emergency and Urgent Care

A “medical emergency” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval from your PCP.
- **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. You can contact us by calling the number on the back of your ID card.

“Urgently needed services” are non-emergency, unforeseen medical illnesses, injuries or conditions that require immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible.

Please see your Evidence of Coverage Chapter 3 for more information on emergency and urgently needed care.

Section 1–Introduction

How do you find CareFirst BlueCross BlueShield Group Advantage providers that serve your area?

This directory is organized by provider type and then by county and city. You can find a network provider nearest your home by looking for the provider in the county and city nearest to you.

If you have questions about CareFirst BlueCross BlueShield Group Advantage or require assistance in selecting a PCP, please call our Member Service Department at 833-320-2664, from 8 a.m.–6 p.m., ET, Monday through Friday. TTY /TTD users should call 711. You can also visit carefirst.com/findadocmappo.

How do you find providers if you do not reside in the CareFirst BlueCross BlueShield Group Advantage service area?

As a Medicare Advantage Preferred Provider Organization (PPO), CareFirst BlueCross BlueShield Group Advantage (PPO) plans provide access to a national network of participating providers.

CareFirst BlueCross BlueShield Group Advantage (PPO) members may see any Blue Cross and/or Blue Shield Medicare Advantage PPO contracted doctor or hospital in the United States and receive covered services at the higher, in-network level of reimbursement.

You can see doctors and other health care providers that are in and out of our network at the same cost share as long as they participate in Medicare and agree to bill CareFirst.

For assistance locating a provider, call our Member Service Department at 833-320-2664, from 8 a.m. to 6 p.m., ET, Monday through Friday. You can also visit carefirst.com/findadocmappo.
