Cuando esta Lista de Medicamentos (formulario) se refiere a “nosotros”, “nos” o “nuestro”, significa CareFirst BlueCross BlueShield Group Advantage (PPO). La referencia al “plan” o “nuestro plan” significa CareFirst BlueCross BlueShield Group Advantage.

Este documento incluye una Lista de Medicamentos (Formulario) para nuestro plan que está vigente al de 01/03/2025. Para obtener una Lista de Medicamentos actualizada (formulario), comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización de la Lista de Medicamentos (formulario), aparece en la portada y en la contraportada.

Por lo general, debe usar las farmacias de la red para usar su beneficio de medicamentos con receta. Los beneficios, el formulario, la red de farmacias o los copagos/coseguro pueden cambiar el 1 de enero de 2025 y de vez en cuando durante el año.

¿Qué es el formulario de CareFirst BlueCross BlueShield Group Advantage (PPO)?

En este documento, utilizamos los términos Lista de Medicamentos y formulario para significar lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por CareFirst BlueCross BlueShield Group Advantage (PPO) en consulta con un equipo de proveedores de atención médica que representa las terapias recetadas que se cree que son una parte necesaria de un programa de tratamiento de calidad. CareFirst BlueCross BlueShield Group Advantage (PPO) generalmente cubrirá los medicamentos enumerados en nuestro formulario siempre que el medicamento sea médicamente necesario, la receta se surta en una farmacia de la red CareFirst BlueCross BlueShield Group Advantage (PPO) y se sigan otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, consulte su Evidencia de Cobertura.

Para obtener una lista completa de todos los medicamentos con receta cubiertos por CareFirst BlueCross BlueShield Group Advantage (PPO), visite nuestro sitio web o llámenos. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y en la contraportada.

¿Puede cambiar el formulario?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero CareFirst BlueCross BlueShield Group Advantage (PPO) puede agregar o eliminar medicamentos del formulario durante el año, moverlos a diferentes niveles de costo compartido o agregar nuevas restricciones. Debemos seguir las reglas de Medicare al realizar estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestro sitio web aquí: carefirst.com/frederickgovt.

Cambios que pueden afectarlo este año: En los siguientes casos, se verá afectado por los cambios de cobertura durante el año:

- **Sustituciones inmediatas de ciertas versiones nuevas de medicamentos de marca y productos biológicos originales.** Podemos eliminar inmediatamente un medicamento de nuestro formulario si lo reemplazamos con una nueva versión determinada de ese medicamento que aparecerá en el mismo nivel de costo compartido o en uno inferior y con las mismas restricciones o menos. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero trasladarlo inmediatamente a un nivel de costo compartido diferente o agregar nuevas restricciones.

Podemos realizar estos cambios inmediatos solo si estamos agregando una nueva versión genérica de un medicamento de marca, o agregando ciertas nuevas versiones biosimilares de un producto biológico original, que ya estaba en el formulario (por ejemplo, agregando un biosimilar intercambiable que puede ser sustituido por un producto biológico original por una farmacia sin una nueva receta).

Si actualmente está tomando ese medicamento de marca o el producto biológico original, es posible que no se le informe con anticipación antes de realizar ese cambio, pero luego se le proporcionará información sobre los cambios específicos realizados.

Si realizamos dicho cambio, usted o su médico pueden solicitarnos que hagamos una excepción y continuemos cubriendo el medicamento que se está modificando. Para obtener más información, consulte la sección a continuación titulada “¿Cómo solicito una excepción al Formulario de CareFirst BlueCross BlueShield Group Advantage (PPO)?”

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección a continuación titulada “¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?”

- **Medicamentos retirados del mercado.** Si el fabricante retira un medicamento de la venta o la Administración de Alimentos y Medicamentos (FDA, por sus siglas en inglés) determina que debe retirarse por razones de seguridad o eficacia, podemos eliminar inmediatamente el medicamento de nuestro formulario y luego notificar a los afiliados que toman el medicamento.
- **Otros cambios.** Es posible que realicemos otros cambios que afecten a los afiliados que actualmente toman un medicamento. Por ejemplo, podemos eliminar un medicamento de marca del formulario cuando agregamos un equivalente genérico o eliminar un producto biológico original cuando agregamos un biosimilar. También podemos aplicar nuevas restricciones al medicamento de marca o al producto biológico original, o trasladarlo a un nivel diferente de participación en los costos, o ambas cosas. Podemos hacer cambios basados en nuevas normas clínicas. Si eliminamos medicamentos de nuestro formulario, agregamos autorización previa, límites de cantidad y/o restricciones de terapia por etapas en un medicamento, o movemos un

medicamento a un nivel de costo compartido más alto, debemos notificar a los afiliados afectados sobre el cambio al menos 30 días antes de que el cambio entre en vigencia. Alternativamente, cuando un afiliado solicita el reabastecimiento del medicamento, puede recibir un suministro de 30 días del medicamento y una notificación del cambio.

Si realizamos estos otros cambios, usted o su médico pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento que venía tomando. El aviso que le brindamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada “¿Cómo solicitar una excepción al formulario de CareFirst BlueCross BlueShield Group Advantage (PPO)?”

Cambios que no lo afectarán si actualmente está tomando el medicamento. Por lo general, si está tomando un medicamento de nuestro formulario de 2025 que estaba cubierto al comienzo del año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2025, excepto como se describe anteriormente. Esto significa que estos medicamentos seguirán estando disponibles al mismo costo compartido y sin nuevas restricciones para los afiliados que los tomen durante el resto del año de cobertura. Durante este año usted no recibirá notificación directa sobre cambios que no le afecten. Sin embargo, el 1 de enero del próximo año, dichos cambios lo afectarían, y es importante que consulte el formulario para el nuevo año de beneficios para ver si hay cambios en los medicamentos.

El formulario adjunto está actualizado a partir del 01/03/2025. Para obtener información actualizada sobre los medicamentos cubiertos por CareFirst BlueCross BlueShield Group Advantage (PPO), comuníquese con nosotros. Nuestra información de contacto aparece detallada en la portada y contraportada. En caso de que se produzcan cambios en el formulario que no sean de mantenimiento a mitad de año, los formularios se actualizarán mensualmente y se publicarán en nuestro sitio web.

¿Cómo utilizo el formulario?

Hay dos formas de encontrar su medicamento en el formulario:

Condición médica

El formulario comienza en la página 1. Los medicamentos de este formulario se agrupan en categorías según el tipo de condiciones médicas para las que se usan. Por ejemplo, los medicamentos que se usan para tratar una afección cardíaca se enumeran en la categoría CARDIOVASCULAR. Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en 1. Luego, busque debajo del nombre de la categoría de su medicamento.

Listado por Orden Alfabético

Si no está seguro de en qué categoría buscar, debe buscar su medicamento en el índice que comienza en la página 134. El índice brinda una lista por orden alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos se enumeran en el Índice. Busque en el índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información sobre la cobertura. Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

CareFirst BlueCross BlueShield Group Advantage (PPO) cubre tanto medicamentos de marca como genéricos. Un medicamento genérico está aprobado por la Administración de Alimentos y Medicamentos (FDA, por sus siglas en inglés) por tener el mismo ingrediente activo que el medicamento de marca. Generalmente, los medicamentos genéricos funcionan igual de bien y suelen costar menos que los de marca. Hay sustitutos de medicamentos genéricos disponibles para muchos medicamentos de marca. Los medicamentos genéricos generalmente pueden ser sustituidos por el medicamento de marca en la farmacia sin necesidad de una nueva receta, dependiendo de las leyes estatales.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, esto podría significar un fármaco o un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Como los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se llaman biosimilares.

Generalmente, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas biosimilares a algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, dependiendo de las leyes estatales, pueden sustituir al producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden sustituir a los medicamentos de marca.

- Para obtener información sobre los tipos de medicamentos, consulte la Evidencia de Cobertura, Capítulo 5, Sección 3.1, “La ‘Lista de Medicamentos’ indica qué medicamentos de la Parte D están cubiertos”.

¿Existe alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden contar con requisitos adicionales o límites en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización Previa:** CareFirst BlueCross BlueShield Group Advantage (PPO) requiere que usted o su médico obtenga una autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de CareFirst BlueCross BlueShield Group Advantage (PPO) antes de surtir sus recetas. Si no obtiene la aprobación, es posible que CareFirst BlueCross BlueShield Group Advantage (PPO) no cubra el medicamento.

- **Límites de Cantidad:** Para ciertos medicamentos, CareFirst BlueCross BlueShield Group Advantage (PPO) limita la cantidad del medicamento cubierto por CareFirst BlueCross BlueShield Group Advantage (PPO). Por ejemplo, CareFirst BlueCross BlueShield Group Advantage (PPO) ofrece 30 tabletas cada 30 días por receta de tabletas de simvastatina de 80 mg. Esto puede ser adicional al suministro estándar para uno o tres meses.
- **Terapia por Etapas:** En algunos casos, CareFirst BlueCross BlueShield Group Advantage (PPO) requiere que primero pruebe ciertos medicamentos para tratar la condición médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, CareFirst BlueCross BlueShield Group Advantage (PPO) puede no cubrir el medicamento B a menos que pruebe primero el medicamento A. Si el medicamento A no le funciona, CareFirst BlueCross BlueShield Group Advantage (PPO) cubrirá el medicamento B.

Puede averiguar si su medicamento cuenta con requisitos o límites adicionales consultando el formulario que comienza en la página 1. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio web. Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones de terapia por etapas. También puede solicitarnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y en la contraportada.

Puede pedirle a CareFirst BlueCross BlueShield Group Advantage (PPO) que haga una excepción a estas restricciones o límites o que le brinde una lista de otros medicamentos similares que puede usar para tratar la afección médica. Consulte la sección, “¿Cómo solicitar una excepción al formulario de CareFirst BlueCross BlueShield Group Advantage (PPO)?” en la página vi para obtener información sobre cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en el formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios para el Afiliado y preguntar si su medicamento está cubierto.

Si se entera de que CareFirst BlueCross BlueShield Group Advantage (PPO) no cubre su medicamento, tiene dos opciones:

- Puede solicitar a Servicios para el Afiliado una lista de medicamentos similares cubiertos por CareFirst BlueCross BlueShield Group Advantage (PPO). Cuando reciba la lista, muéstresela a su médico y solicítele que le recete un medicamento similar cubierto por CareFirst BlueCross BlueShield Group Advantage (PPO).
- Puede solicitarle a CareFirst BlueCross BlueShield Group Advantage (PPO) que haga una excepción y cubra su medicamento. Vea a continuación la información sobre cómo solicitar una excepción.

¿Cómo solicitar una excepción al formulario de CareFirst BlueCross BlueShield Group Advantage (PPO)?

Puede solicitarle a CareFirst BlueCross BlueShield Group Advantage (PPO) que haga una excepción a nuestras reglas de cobertura. Existen varios tipos de excepciones que puede solicitar.

- Puede solicitar que cubramos un medicamento incluso si no está en nuestro formulario. Si se aprueba su solicitud, este medicamento estará cubierto a un nivel de costo compartido predeterminado y no podrá solicitar que le brindemos el medicamento a un nivel de costo compartido más bajo.
- Puede solicitarnos que eliminemos una restricción de cobertura, incluida la autorización previa, la terapia escalonada o un límite de cantidad en su medicamento. Por ejemplo, para ciertos medicamentos, CareFirst BlueCross BlueShield Group Advantage (PPO) limita la cantidad del medicamento cubierto. Si su medicamento tiene un límite de cantidad, puede solicitar que no apliquemos el límite y que se cubre una cantidad mayor.
- Puede solicitar que cubramos un medicamento del formulario a un nivel de costo compartido más bajo, a menos que el medicamento esté en el nivel de especialidad. Si es aprobado, esto reduciría la cantidad que usted debe pagar por su medicamento.

Por lo general, CareFirst BlueCross BlueShield Group Advantage (PPO) solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento de menor costo compartido o la aplicación de la restricción no resultarían ser tan eficaces en el tratamiento de su afección o causarían efectos médicos adversos.

Usted o su médico deben comunicarse con nosotros para solicitar una excepción de nivel o de formulario, incluida una excepción a una restricción de cobertura. **Cuando solicite una excepción, su médico deberá explicarle las razones médicas por las que necesita la excepción.** Por lo general, debemos tomar nuestra decisión dentro de las 72 horas posteriores a la recepción de la declaración de respaldo de su médico. Puede solicitar una excepción acelerada (rápida) si usted cree que su salud podría verse gravemente dañada si tiene que esperar hasta 72 horas por una decisión. Si estamos de acuerdo, o si su médico le solicita una decisión rápida, debemos darle una decisión a más tardar 24 horas después de que recibamos la declaración de respaldo de su médico.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene alguna restricción?

Como afiliado nuevo o continuo de nuestro plan, es posible que esté tomando medicamentos que no se encuentran en nuestro formulario. O es posible que esté tomando un medicamento que está en nuestro formulario pero tiene una restricción de cobertura, como una autorización previa. Debe hablar con su médico sobre cómo solicitar una decisión de cobertura para demostrar que cumple con los criterios de aprobación, cambiar a un medicamento alternativo que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras habla con su médico para determinar el curso de acción correcto para usted, es posible que cubramos su medicamento en ciertos casos durante los primeros

90 días en que sea afiliado de nuestro plan.

Para cada uno de sus medicamentos que no esté en nuestro formulario o tenga una restricción de cobertura, cubriremos un suministro temporal de 30 días. Si su receta es para menos días, permitiremos resurtidos para proporcionar un suministro máximo de medicamentos de 30 días. Si la cobertura no es aprobada, después de su primer suministro de 30 días, no pagaremos estos medicamentos, incluso si ha sido afiliado del plan por menos de 90 días.

Si usted es residente de un centro de atención a largo plazo y necesita un medicamento que no está en nuestro formulario, o si su capacidad para obtener sus medicamentos es limitada pero ha pasado los primeros 90 días de afiliación en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras busca una excepción al formulario.

Si experimenta un cambio en el nivel de atención (como ser dado de alta o ingresado en un centro de atención a largo plazo), su médico o su farmacia puede solicitar una prórroga de la receta por única vez. Esta única prórroga le proporcionará cobertura temporal (hasta 31 días de suministro) para el/los medicamento(s) aplicable(s).

Si el medicamento A no le funciona, entonces le cubriremos el medicamento B.

NM – No disponible para venta de farmacias por correo: Este medicamento no está disponible a través de pedido por correo a la farmacia.

B/D: Es posible que el medicamento esté cubierto por Medicare Parte B o D: Es posible que algunos medicamentos estén cubiertos por Medicare Parte B o Parte D, dependiendo de las circunstancias: es posible que sea necesario enviar información que describa el uso y la configuración del medicamento para tomar la determinación.
