Section 1–Introduction

This directory provides a list of CareFirst BlueCross BlueShield Group Advantage local PPO network routine vision providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

We have network providers for your routine vision care for refraction and lenses and frames. You will find more information about plan payments and cost sharing in your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you vision services. You may go to any of our network routine vision providers listed in this directory. CareFirst BlueCross BlueShield Group Advantage members can see any CareFirst BlueCross BlueShield Group Advantage contracted vision provider and receive services at the in-network level of benefits.

Out of network providers are under no obligation to treat CareFirst BlueCross BlueShield Group Advantage PPO enrollees.

If you have any questions about whether we will pay for any medically necessary vision service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care. Please contact our Member Service Department at 1-833-320-2664, 8 a.m.–6 p.m., ET, Monday through Friday. TTY users should call 711. You may also refer to your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

You are covered both in and out of our network for all routine vision benefits, as long as you are treated by a provider who participates in Medicare.

The out-of-network routine vision provider should bill CareFirst and should not bill you. Should a provider bill you please contact us to find out how to submit the bill to us for payment. Once we receive the itemized bill, we can process it and determine what your cost share will be.

For most of our PPO plans there is no difference in cost whether you see a network or out-of-network routine vision providers. Please review your Evidence of Coverage (EOC) to validate your cost shares for out-of-network routine vision providers.

What is the service area for CareFirst BlueCross BlueShield Group Advantage?

The CareFirst BlueCross BlueShield Group Advantage service area is all 50 states in the United States, District of Columbia, and Puerto Rico.

This means that if you travel, vacation, or simply visit another state, you may use any participating BlueCross BlueShield Association network routine vision provider and experience the same level of benefits you would at home.
